

Wisconsin's No Call Telephone List

To Whom It May Concern:

This e-mail is to register my support for our No Call Telephone List in the State of Wisconsin. Prior to the enactment of this Wisconsin law our home phone would ring three to four evenings per week usually around the supper hours (4:00 to 7:00 p.m.). What a relief not to be subjected to the annoyance and disruption of telemarketers.

If businesses are so concerned with informing me of their products and services they have the wonderful opportunity to utilize the U.S. Postal Service.

Sincerely,

Colin Smith
